

Rooms for Lease

Would Suit Allied Health Professionals

Ipswich Hospice Care's "Hilda's House" is a charming, recently renovated Queenslander situated on a centrally located, busy thoroughfare in Ipswich's Eastern Suburbs. Hilda's House provides support services for people in the local and surrounding community who are grieving the loss of a significant person in their lives. Our services are run by volunteers and paid staff, who aim to support and resource people in ways that build on their existing strengths and skills.

We have a number of suites for lease and offer flexible rental rates to accommodate the individual needs of the practitioner.

The rooms would best suit a psychologist as there is a potential for referrals from the existing services, particularly in the area of child psychology. Anyone wishing to rent the rooms would preferably have their own client base. There is a choice of modern rooms or the more traditional Queenslander with carpet and VJ walls. The pricing structure is Casual Hourly Rate 1-2 hours \$20, Half Day \$70 and Daily \$110. The pricing includes:-

- Onsite and on street parking
- Disabled access and dedicated parking
- Separate entrance for clients
- Access to new bathroom with toilet and shower facilities
- Furnishings with desk, chairs and massage table
- Reverse cycle air conditioner
- Access to kitchen facilities
- Cleaning services

A small meeting / workshop room is also available for rent on a casual basis which seats up to 15 people. This room is equipped with television, DVD and projector screen.

Please contact the Manager at Hilda's House, telephone (07) 3812 1163 for further information.
