At Ipswich Hospice Care we are passionate about delivering the highest quality care to our inpatients, who we call our Guests - and we employ outstanding people who share our values of respect, compassion, team work and professionalism.

Ipswich Hospice has been providing end of life palliative care in the Ipswich region for over twenty-five years. As an important part of this service, the Guests of our seven-bed facility are provided with delicious, nutritious home-style meals that are prepared and delivered to suit individual needs and tastes.

Ipswich Hospice is looking to recruit experienced Cooks to join our casual pool and provide cover for permanent staff away on leave.

## **Our Cook on duty is responsible for:**

- Creating tasty home-style meals following a set of menu/recipes and adjusting for individual needs and tastes as required
- Carrying out best practice in the kitchen with food preparation and safety
- Cleanliness of equipment and station
- Stock inventory and rotation
- Supervising the kitchen volunteer/s on shift

## **Our ideal candidate will have:**

- Previous experience within an aged care and/or commercial kitchen
- Understanding of various cooking methods, ingredients, equipment and procedures
- Knowledge of legislative requirements (Food Safety, Work Health & Safety)
- Food Safety Supervisor Certificate
- Satisfactory police clearance
- Ability to work independently and with minimal supervision
- Pride in the quality of the food and meals that is produced in the kitchen

## **How to Apply**
