

SPONSORSHIP OPPORTUNITIES

Charity Golf Day 2023

EXECUTIVE SUMMARY

- Ipswich Hospice Care is a not-for-profit charity that provides care to people with terminal illness and grief counselling services to their families and members of the community.
- Hospice was created by the community for the community and as such does not charge consumers for its services.
- While Hospice is partially funded through government grants, these do not cover all operating costs. Hospice utilises fundraisers and donations from the community to cover the gap in funding.
- Our annual charity golf day is our biggest fundraising event of the year.

"From the moment I arrived I knew this was my home"

"I haven't had a good home-cooked meal like that since my wife passed"

"Your care and compassion have made such a difference to him in his last weeks and to all of us."
